Hobie

**INNOVATION
CRAFTSMANSHIP
PERFORMANCE
HERITAGE
LIFESTYLE**

Founded in 1950 by one man, the visionary **HOBIE ALTER**, in his parent's garage.

Inspired by his passion for the **WATER**, supported by his family and community. Hobie created a **LIFESTYLE** around fun and enjoying the environment.

Redefining limits through constant **INNOVATION**, Hobie creates watercraft that allow people to experience and play on the water in new ways.

A strong and unique **HERITAGE** that lives on, rooted in decades of board shaping and boatbuilding knowledge.

Constructed with the finest quality materials, every detail demonstrating the **CRAFTSMANSHIP** forever associated with Hobie.

Built to go far and get you there fast, **PERFORMANCE** oriented products that whisk you away to your next adventure.

The only question is... What will you do next?

Join Hobie on the water and...

ALTER YOUR BOUNDARIES.

ROTOMOLDED BRAVO

The Hobie Bravo is ideal for beginners on moderate days while still offering an entertaining ride for skilled hands on breezy days. Its unique hard deck attaches directly to the hulls. Sturdy rotomolded polyethylene construction makes the Bravo an ideal candidate for beach launchings and windy-day docking lessons, and its user-friendly, boomless mainsail twists off in puffs while remaining stiff enough to capture gentle breezes. Should the wind machine really start piping, the Bravo's sail, which flies off of an easy-to-step A-frame mast, is easily reefed.

STANDARD FEATURES:

- Impact-resistant rotomolded polyethylene hulls offer years of service
- Boomless, square-top Dacron mainsail twists off in gusts for power control; angled full battens allow for easy reefing and furling
- A-frame mast is quick-to-rig
- EZ Loc Rudder System makes lowering or raising the rudder a quick task
- Four corner-mounted carrying handles and dual under-deck handles offer solid grips
- Single 8" "Twist and Seal" hatch keeps small items dry
- Six-scupper cockpit drains quickly
- Padded hiking straps provide windy-day relief
- Non-conductive Comptip mast helps ensure safety
- "Hobie Bob" mast float and a dedicated righting line ease capsizing recovery

OPTIONS:

Aluminum trailer, beach wheels/dolly, boom

SPECS:

- Crew: 1-2
Length: 12' / 3.65 m
Beam: 4' 5" / 1.35 m
Capacity: 400 lbs. / 181 kg
Weight: 195 lbs. / 88.45 kg
Draft w/ Rudder Up: 9" / 0.23 m
Mast Length: 19' / 5.79 m
Sail Area: 86 ft² / 7.99 m²
Hull Construction: Rotomolded Polyethylene

FROM BEGINNERS TO
EXPERTS, THE BRAVO
DELIVERS GOOD TIMES

**SPORTY, STABLE AND SPEEDY,
THE WAVE OFFERS IMPRESSIVE
MISSION FLEXIBILITY**

ROTOMOLDED WAVE

The minimal-maintenance Wave has earned its reputation as a fun and versatile beach cat thanks to its impressive four-sailor payload. While the Wave makes for a great social platform, it's also a sporty, performance-minded catamaran that boasts symmetrically shaped keels that create lift, sans the need for daggerboards. The boat's rotomolded polyethylene hulls are safe, sturdy and encourage island exploration, while its sailplan can tackle everything from light airs to days when the wind is blowing dogs off chains. Additionally, the Wave Club model stands ready to serve schools, resorts or charter fleets.

STANDARD FEATURES:

- Impact-resistant, rotomolded polyethylene hulls are positively buoyant and beaching-friendly
- Molded-in centerline keels replace daggerboards
- EZ Loc Rudder System simplifies lowering or raising the rudders
- Fully-battened, multi-colored, square-top Dacron mainsail is boomless and features a safety view window (available in Martinique color)
- Classic Version features a one-piece colored mesh trampoline that's easy-to-attach and comes with built-in drink holders; Club Version features a three-piece mesh trampoline that's fitted using a system of laces and grommets
- Non-conductive Comptip mast bolsters safety around wires
- Comfortable, padded seat cushions provide all-day comfort

OPTIONS:

Aluminum trailer, beach wheels/dolly, jib and spinnaker kits, padded backrests, zipper-reefing mainsail

SPECS:

Crew: 1-4
Racing Crew: 1
Length: 13' / 3.96 m
Beam: 7' / 2.13 m
Capacity: 800 lbs. / 362 kg
Weight: 245 lbs. / 111 kg
Draft w/ Rudder Up: 11" / 0.28 m
Mast Length: 20' / 6.09 m
Sail Area: 95 ft² / 9 m²
Hull Construction: Rotomolded Polyethylene

ROTOMOLDED T2

The can-do T2 matches a powerful sailplan and a double-trapeze rig with a pair of rotomolded polyethylene hulls to create a user-friendly, high-adrenaline rocketship. The T2's symmetrically shaped keels eliminate the need for daggerboards, and the boat's built-in righting line and "Hobie Bob" simplify righting maneuvers, should you accidentally discover the outside of the envelope. A square-topped mainsail, a Dacron jib, and an optional Gennaker make the T2 a perfect boat for sailors transitioning to high-performance multihull sailing, while still offering speed-to-burn performance to keep advanced-level sailors excited.

STANDARD FEATURES:

- Rotomolded polyethylene hulls with replaceable keel skids are durable and impact-resistant
- Square-topped, fully battened, brightly colored Dacron mainsail offers great leeward visibility
- Flat-cut Dacron jib is sheeted from a fixed point on the forward crossbar and features an integral anti-UV strip for easy furled-up storage
- Sturdy mesh trampoline features a handy sewn-in storage pocket
- EZ Loc Rudder System simplifies lowering or raising the rudder
- Tiller extension provides steerage control while hiking or weighting the wires
- Lightweight aluminum spar with a Comptip bolsters safety near power lines
- "Hobie Bob" mast float and righting line simplify capsizing recovery

OPTIONS:

Aluminum trailer, beach wheels/dolly, furling Gennaker kit, spinnaker launching and retrieval system

SPECS:

Crew: 1-4
Length: 16' / 4.90 m
Beam: 8' / 2.43 m
Capacity: 529 lbs. / 240 kg
Weight: 388 lbs. / 176 kg
Draft w/ Rudder Up: 10" / 0.25 m
Mast Length: 26' 6" / 8.07 m
Sail Area: 172 ft² / 16 m²
Hull Construction: Rotomolded Polyethylene

A ROTOMOLDED ROCKETSHIP FOR SAILORS WHO WANT IT ALL

ROTOMOLDED GETAWAY

One of sailing's greatest pleasures is sharing it with your loved ones, and the Getaway stands ready to help you mint indelible memories. While a shorthanded crew can handle the Getaway in modest breezes, this capable catamaran can carry up to six sailors, making it a versatile family pleaser. The boat's newly redesigned rotomolded polyethylene hulls feature reverse bows and an additional six inches of length, improving the Getaway's playful performance. Enjoy impromptu picnic lunches, multi-boat raft-ups, and learn-to-sail sessions. The Getaway's spacious nets provide ample seating, and optional wing seats bolster comfort and righting moment.

STANDARD FEATURES:

- Rotomolded-polyethylene hulls are positively buoyant and impact-resistant
- Integrated keels make beaching a breeze and eliminate the need for daggerboards
- EZ Loc Rudder System simplifies rudder operations
- Brightly colored, fully battened, boomless mainsail features a high-cut foot for easy tacks/gybes and ample visibility
- Forward and main mesh trampolines provide seating options
- Roller-furling jib streamlines headsail setup
- Integrated cooler/dry-storage chamber on both hulls provides storage options
- Comptip mast increases safety around power lines
- "Hobie Bob" mast float and righting line simplify capsizing recovery
- Generous-sized seating area accommodates up to six sailors (1,000-pound maximum carrying capacity)

OPTIONS:

Wing seats, aluminum trailer with optional double rollers and a spar stand, beach wheels/dolly, single trapeze system

SPECS:

Crew: 1-6
Length: 17' / 5.20 m
Beam: 7' 8" / 2.34 m
Capacity: 1000 lbs. / 453 kg
Weight: 390 lbs. / 177 kg
Draft w/ Rudder Up: 10" / 0.25 m
Mast Length: 25' / 7.62 m
Sail Area: 180 ft² / 17 m²
Hull Construction: Rotomolded Polyethylene

A photograph of a Hobie Cat catamaran on the water. In the foreground, a man in a red life vest and blue shorts is crouching on the deck, smiling at the camera. Behind him, another person is visible. In the background, a woman in a black top and orange life vest is sitting on the deck with two young children. The boat has two large sails: one is white with yellow and orange panels, and the other is primarily orange with a blue panel. The water is a clear blue.

FUN WITH A FRIEND, THE GETAWAY IS
EVEN BETTER WITH THE WHOLE GANG

HOBIE SAILING IS...

FUN
SOCIAL
COMPETITIVE
EXHILARATING
FOR EVERYONE

Hobie 16 Worlds
Jervis Bay, Australia

Iconic Hobie Cats have launched straight from the sand and flown hulls since 1968. Easy to set up, quick to learn yet ready to challenge the most aggressive sailor's skills, Hobie boats forever transformed sailing. Gather your crew. Today, Hobie fleets sail six continents, racing with the International Hobie Class Association.

MIRAGE[®] ADVENTURE ISLAND

Sailing has never been so simple. When the wind blows, the Mirage Adventure Island flies across the water. It is impressively approachable, with a roller-furling mainsail and two ama outriggers providing exceptional stability. It is perfect for the novice, yet still thrilling for an experienced sailor. If the wind fades, the MirageDrive[®] 180 will get you home. Equip the accessory trampoline kit for extra space for gear.

STANDARD FEATURES:

- Pedal-powered reversing MirageDrive 180 eases locomotion on light-air days
- Ama floats and aka crossbars are lightweight and color-coordinated
- Fully-battened, boomless mainsail features an easy-to-use roller-reefing system
- Carbon-composite spar reduces weight aloft
- Custom spar and sail storage bag keeps your kit shipshape
- Integral centerboard fully retracts for skinny-water exploration
- Kick-up rudder simplifies launchings and beachings
- Two-part fiberglass paddle delivers upper-body workouts
- Plush Vantage CT seating is ready-made for extended adventures
- Stern cargo area, large covered bow hatch, and dual 8" "Twist and Seal" hatches accommodate multi-day stowage
- Lowrance[®] Ready System allows you to easily add Lowrance fishfinders and/or chartplotters

OPTIONS:

Aka trampoline kit, aluminum trailer, beach wheels/dolly, Hobie evolve powered by Torqeedo electric motor kit, livewell, plug-in cart

SPECS:

Crew: 1
Length: 16' 7" / 5.05 m
Beam w/ amas out: 9' 6" / 2.90 m
Beam w/ folded in: 44" / 1.12 m
Capacity*: 400 lbs / 181.44 kg
Fitted Hull Weight*: 102 lbs. / 46 kg
Fully Rigged Weight*: 185 lbs. / 84 kg
Mast Length: 16' 6" / 5.03 m
Sail Area: 65 ft² / 6.04 m²
Hull Construction: Rotomolded Polyethylene
Lowrance Ready System Included*

THE HOBIE ADVENTURE
ISLAND OFFERS A TICKET
TO MULTI-SPORT FUN

AMPLIFY YOUR ON-THE-WATER FUN WITH
THE ONE- OR TWO-PERSON TANDEM ISLAND

MIRAGE TANDEM ISLAND

Hobie's legendary sailing know-how meets the revolutionary MirageDrive 180 in the Mirage Tandem Island trimaran sailing kayak. With room for a friend, the 'TI' is forgiving and stable for the beginner while fast and exciting for the expert. MirageDrive pedal power is the difference. No wind, no worry, but if it is blowing all the better. Sailing maneuvers are so much easier with the MirageDrive standing by to get you through that tack.

STANDARD FEATURES:

- Two pedal-driven MirageDrive 180s and two two-part fiberglass paddles provide efficient locomotion on light-air days
- Ama floats and deck-mounted Aka crossbars are lightweight, color-coordinated and easily retracted/removed
- Fully-battened, boomless mainsail features an easy-to-use roller-reefing system
- Carbon-composite, two-piece spar reduces weight aloft
- Integral centerboard fully retracts for skinny-water exploration
- Kick-up Island rudder simplifies launchings and beachings
- Plush Vantage CT seating is ready-made for extended adventures
- Stern cargo area, large covered bow hatch and three 8" "Twist and Seal" hatches accommodate multi-day stowage
- Fingertip steerage and sail controls in both cockpits streamline sail handling and driving
- Molded-in rod (2) and cup/bottle (4) holders encourage long days afloat

OPTIONS:

Aka trampoline kit, aluminum trailer, beach wheels/dolly, Hobie evolve powered by Torqeedo electric motor kit, livewell

SPECS:

Crew: 1-2
Length: 18' 6" / 5.64 m
Beam w/ amas out: 10' / 3.05 m
Beam w/ folded in: 4' / 1.22 m
Capacity*: 600 lbs / 272 kg
Fitted Hull Weight*: 130 lbs. / 59 kg
Fully Rigged Weight*: 240 lbs. / 109 kg
Mast Length: 18' / 5.49 m
Sail Area: 90 ft² / 8.4 m²
Hull Construction: Rotomolded Polyethylene
Lowrance Ready System Included*

**SETTING INTERNATIONAL STANDARDS
FOR MULTI-HULL FUN SINCE 1970**

FIBERGLASS HOBIE 16

Forget stuffy yacht clubs and overcooked nautical pageantry: The beach-launched Hobie 16 redefines international paradigms by offering high-performance sailing without the straw hats and stuffed shirts. The Hobie 16 uses a double-trapeze rig to tame its powerful sailplan, and its lift-generating asymmetrical fiberglass hulls eliminate the need for crew-work intensive daggerboards. The result is a sporty thrill machine that has introduced a myriad of sailors to evolving apparent-wind angles and multi-hull fun. More than a hundred thousand boats later, the Hobie 16 commands respect thanks to its ability to fly hulls and generate grins.

STANDARD FEATURES:

- Asymmetrically shaped fiberglass hulls eliminate daggerboards and facilitate easy beach launchings and landings
- Kick-up rudder system makes for easy landings on beaches and boat ramps
- Powerful, brightly colored Dacron mainsail and jib are race-ready and internationally iconic
- Double-trapeze rig allows you to control the boat's powerful sailplan
- Ball-bearing Harken blocks dramatically reduce line-handling friction
- Black anodized-aluminum spar is stiff and lightweight and features a Comptip mast for increased safety margin when sailing near power lines
- Elevated trampoline helps ensure a dry ride and great footing while weighting the trapeze wires
- Carbon-fiber rudder foils are strong and lightweight

OPTIONS:

Aluminum trailer with optional double rollers and spar stand, beach wheels/dolly, spinnaker and spinnaker-retrieval kit

SPECS:

Crew: 1-4
Racing Crew: 2
Length: 16' 7" / 5.05 m
Beam: 7' 11" / 2.41 m
Capacity: 800 lbs. / 362 kg
Weight: 320 lbs. / 145 kg
Draft w/ Rudder Up: 10" / 0.25 m
Mast Length: 26' 6" / 8.07 m
Sail Area: 218 ft² / 20 m²
Hull Construction: Fiberglass/Foam Sandwich

FIBERGLASS WILD CAT

If speed is your game, the Hobie Wild Cat stands ready to over-deliver—just add wind, water, and some weight on the trapeze wires, and this high-performance catamaran will demolish your expectations for on-the-water fun. Featuring wave-piercing bows, a rotating wing mast, a double-trapeze rig, carbon-fiber rudders and daggerboards, and a pair of lightweight fiberglass hulls, the Wild Cat has the racing pedigree to devastate most racecourses. The Wild Cat's sailplan includes a square-top, Pentex Mylar mainsail, a self-tacking jib and an asymmetric spinnaker that's easily extinguished in a breeze thanks to its sock-style snuffer system. *Giddyap!*

STANDARD FEATURES:

- Fiberglass hulls with EVA anti-skid and stern-mounted inspection ports are lightweight and stiff
- Rudder blades and daggerboards are carbon fiber-reinforced for strength and weight savings
- Carbon-fiber telescoping tiller extension eases steerage while hiking-out
- Rotating wingmast provides extra lift and performance
- Powerful, square-topped, Pentex Mylar mainsail and fully battened, self-tacking jib provide ample horsepower
- Spinnaker and sock-style snuffer maximize smiles while sailing off the breeze
- Dual-trapeze rig tames the powerful sailplan
- 10:1 mainsheet system with ball-bearing Harken blocks encourage heavy-air sailing
- 16:1 Cunningham system uses lightweight and strong Spinlock cleats

OPTIONS:

Aluminum trailer or beach wheels/dolly (both available with optional hull cradles)

SPECS:

- Crew: 2
Racing Crew: 2
Length: 18' / 5.46 m
Beam: 8' 6" / 2.59 m
Capacity: 529 lbs. / 240 kg
Weight: 397 lbs. / 180 kg
Draft w/ Rudder Up: 7" / 0.18 m
Mast Length: 29' 6" / 8.99 m
Sail Area: 454 ft² / 42 m²
Hull Construction: Fiberglass/Foam Sandwich
